Rocky  
Yo,  
Baby girl, are u missin me,  
Cos im still missin u  
All  
Im just calling to say that im really really missing you  
girl  
Still wanna be part of your world  
I gotta let you know  
That I can't let go  
Its kinda lonely baby  
Flava  
I think I need you more then life itself  
But I aint about to put down the mike for a girl  
Im feeling your pain  
I still just the same  
Just one difference  
Im flava u still love James  
Pick up the phone  
Coz I know you wanna speak  
Its been a week  
I aint a creep  
Fulfilled your needs and fantasies  
Just like the old times  
Remember the old rhymes  
On the cold streets we first meet  
Seemed so right  
All  
And it don't matter what your friends may say  
Coz I still think about you everyday  
And I just wanna get close to you  
Tell me what I gotta do girl  
Im just calling to say that im really really missing you  
girl  
Still wanna be part of your world  
I gotta let you know  
That I can't let go  
Its kinda lonely baby  
I wanted to say im still thinking about you everyday  
I wanna see your pretty smile again  
I gotta let you know  
Still thinking bout you no I can't let go

Spike-e  
I've got something to say  
Times we chilled together held each other slipping  
away  
And now I feel that I can't hold another  
Missing each day now there's no one here to run to  
cover  
Missing you babe now I feel I never find another lover  
Missing your ways and every day is the same  
It rains sitting here lonely feeling rage and pain  
But if you come back soon babe  
Times don't change  
I'll always be here and here I'll stay  
And it don't matter what your friends may say  
Coz I still think about you everyday  
And I just wanna get close to you  
Tell me what I gotta do girl  
All  
I'm just calling to say that I'm really really missing you  
girl  
Still wanna be part of your world  
I gotta let you know  
That I can't let go  
It's kinda lonely baby  
I wanted to say I'm still thinking about you everyday  
I wanna see your pretty smile again  
I gotta let you know  
Still thinking bout you no I can't let go  
Krazy  
There's only one thing I've got to say  
That is that I'll miss you every day  
We were made for each other  
I know I was wrong I'm still thinking about ya  
I want to know what I did wrong  
All I know is I got to stay strong  
I need you I want you I need you to hold  
Baby won't you come back home  
All  
I'm just calling to say that I'm really really missing you  
girl  
Still wanna be part of your world  
I gotta let you know  
That I can't let go  
It's kinda lonely baby  
I wanted to say I'm still thinking about you everyday  
I wanna see your pretty smile again  
I gotta let you know  
Still thinking bout you no I can't let go  
I'm just calling to say that I'm really really missing you  
girl  
Still wanna be part of your world

I gotta let you know  
That I can't let go  
Its kinda lonely baby  
I wanted to say im still thinking about you everyday  
I wanna see your pretty smile again  
I gotta let you know  
Still thinking bout you no I can't let go
