Attention, attention  
All crews report to the dance floor immediately  
We got a red light emergency  
Come on

Nick knack paddy whack make 'em go ooh  
You know they hot and they rock the mic too  
Nick knack paddy whack what you gonna do  
Boy get yourself on the floor and jerk that body  
Nick knack paddy whack make 'em say what  
We can't stop we keep the spot hot  
Nick knack paddy whack show me what you got  
Girl get up get up and jerk that body

One, this is the real vibes  
Two, forget the drama  
Three, we're here to party  
Ain't no one gonna harm ya  
Heartbeat rushing hot flushes  
Hot clubs dropping dubs everybody's lovin'  
I keep it real cool that's just my style now  
Lay on the track lay back like I'm a summer jam  
What you need to understand the word peace  
So my people bounce right now and let me hear you  
scream  
What, what, what

I just wanna see all the people going crazy  
Buggin' out off key to the melody  
Without a doubt this is an emergency so now you know  
And now you gotta go  
Oh

Nick knack paddy whack make 'em go ooh  
You know they hot and they rock the mic too  
Nick knack paddy whack what you gonna do  
Boy get yourself on the floor and jerk that body  
Nick knack paddy whack make 'em say what  
We can't stop we keep the spot hot  
Nick knack paddy whack show me what you got  
Girl get up get up and jerk that body

Nick knack paddy whack  
Uh knock up the track Krazy's back here to party

Oh there's like plenty of us and plenty of rush  
Party vibes all night scandalous

No misteeq we shake from the grill no beef  
All crews keep it sweet  
All crews keep it street

I like the way you wind  
I like the way you move  
It's time to take to the bridge like ooh

I just wanna see all the people going crazy  
Buggin' out off key to the melody  
Without a doubt this is an emergency so now you know  
And now you gotta go  
Oh  
It's got some rewind  
It's got every one of us nuff twisted up  
Hit me with a freaky shot don't wanna stop  
This is an emergency so now you know  
And now you gotta go  
Oh

Nick knack paddy whack make 'em go ooh  
You know they hot and they rock the mic too  
Nick knack paddy whack what you gonna do  
Boy get yourself on the floor and jerk that body  
Nick knack paddy whack make 'em say what  
We can't stop we keep the spot hot  
Nick knack paddy whack show me what you got  
Girl get up get up and jerk that body

Blazin' Squad  
Jerk that body  
Blazin' Squad  
Jerk that body

Oh  
Don't you ever get that feelin'?  
All of us we can hit that ceiling  
Make it happen if you keep on believing tonight  
Oh  
Oh  
Don't you ever get that feelin'?  
All of us we can hit that ceiling  
Make it happen if you keep on believing tonight  
Oh
