Uh uh Blazin?. Uh uh In the sunshine (Yo) In the sunshine Let?s blaze it up in the sunshine

(Chorus) Close my eyes and I?m there again Got girls??..In the air again We dreamin? We just be dreamin? And I?ll be living in the sunshine

Close my eyes and dream for a minute The place I had dreamt, had us all in it Hitting girls up, two at a time And we?II be living in the sunshine

This girl was looking at me She had long brown hair, about 6 3 Girl, you?re too tall for me So baby, go try your luck with Kenzie

Sit down Gin and juice in the shade Girls by my side ?cuz I just got paid I?ve got the right to blaze it Comes by the day so Eating strawberries off of her navel

(Chorus x2)

Let me tell you ?bout a dream of mine We were all laid back, in the sunshine We dreamin? Girls just be screaming I don?t think its my time to leavein

I ain?t coming down for days I?m feeling so good In so many ways Feelin' so crazy Chillin with the beautiful ladies

(Chorus x2)

Yo, me and the boys are here What you know ?bout us How we roll in the summer How we blaze ??. Up Runnin' the beats Sun in the streets One in the club Lovin the heat Come in for me Wrist pickin' me up

It?s the holidays Girls in the park It?s a lovely day Baby momma?s chillin with their friends Watch their babies play Past summers flash back Like they was yesterday Better days?girls?. Blaze the day away

Summer time?s hot Girls there's lots and lots To blaze In these days of summer If you are gunna ?????.. It's fun for you to sit there and wonder Sittin' under the sun All the girls and boys They come together as one

(Chorus x5)
