(Krazy)

When we're kissin' in my garden,
I feel the love begin,
And when we're sexin' in my bedroom,
I love to feel your skin,

(Reepa)

When we're huggin' each other,
I feel so warm,
But when we talkin' to each other,
I feel the storm.

(Chorus)

When we're(la la la la la la),
Baby when we're(la la la la la la).

(Tommy-B)

When we're laughin' together,
I've never felt it before,
And when we're sayin' the same things,
I really need some more.

(Chorus)

When we're(la la la la la la),
Baby when we're(la la la la la la).

(Bridge)

Girl(girl),
I know your feelin' me,
Cos I'm feelin' you too.

(Chorus)

When we're(la la la la la la),
Baby when we're(la la la la la la).
