Screaming at the window  
Watch me die another day  
Hopeless situation  
Endless price I had to pay

Sanity now it's beyond me, there's no choice

Diary of a madman  
Walk the line again today  
Entries of confusion  
Dear diary I'm here to stay

Manic depression befriends me, hear his voice  
Sanity now it's beyond me, there's no choice

A sickened mind and spirit  
The mirror tells me lies  
Could I mistake myself for someone  
Who lives behind my eyes  
Will he escape my soul  
Or will he live in me  
Is he trying to get out  
Or trying to enter me

Voices in the darkness  
Scream away my mental health  
Can I ask a question  
To help me save me from myself

Enemies fill up the pages, are they me  
Monday to Sunday in stages, set me free
