Born again as one  
Incarnated flesh I am  
Cradle of my kind  
Revelation set us free  
Congregation once again

Chorus 1  
The Shadowwanderer - approaching us with death  
His blade - collecting souls - takes away our lives  
The chanting messages of fate - drenched in blood  
The Shadowwanderer - approaching

Maelstrom of divine  
Purified in holy grace  
Into fire baptized again  
As I rise from underneath  
Those will follow as I chose

Chorus 1

Eg gjeng over mark og myr  
(I walk across the lands and the fields)  
til eg naermar meg det endelege maalet  
(Until I finally make my final approach)  
Stans!  
(Stop!)

Solo Å- Glen

Share this light above  
It's the light of life  
Clear as the winter snow  
Purified through the sands of time  
Into the light I ride  
Now I know that my time has come

Onwards back in time  
Some call me the messenger  
Thus your fate it lies by me  
Concentrate your life by live  
Destiny is what you give
