[Lyrics: S. Drover]

[Theme - Glen]

Tormented mind - a weakened pagan  
The tarnished halo - of dripping blood  
Through unspeakable acts - 1 final shot at glory  
The sickening truth shall never set you free!

Justified through the book of faith  
Without remorse - may you burn in fire

Twisted morality  
Twisted morality

5 now perished, does this bring you closer to god?  
Now how can you be blamed?  
The rebel angel - he is the 1 to blame  
His forceful tactics - are now my saving grace

Justified through the book of faith  
Without remorse - may you burn in fire

[Solo]  
[1st section - Andy, Glen]  
[2nd section - Glen]

Justified through the book of faith  
Without remorse - may you burn in fire

Twisted morality  
Twisted morality

1 hand on the book - the other blocking gasping  
breathe  
Beyond sickness - you are the 1 to blame  
For this you need - to perish in the lake of fire!  
Drawn and quartered - in blood-soaked ashes may you

burn!
