I wait I wait I wait
I wait all day I wait
I wait I wait I wait
I wait I wait I wait

All I really want is one more day ,
To make you change your mind and wanna stay ,
All you have to do is call my name
And I'll come back again

All I really want is one more day ,
To make you change your mind and wanna stay ,
All you have to do is call my name
And I'll come back again

All I really want is one more day ,
To make you change your mind and wanna stay ,
All you have to do is call my name
And I'll come back again

All I really want is one more day ,
To make you change your mind and wanna stay ,
All you have to do is call my name
And I'll come back again

I'll come back again

If I could have another day
To make you see I am the one
I'll show you love in many ways
For your kiss I wait

But now you've pushed my love away
Leave me cold both night and day
All I've longed what can I think
I wait all day I wait

All I really want is one more day ,
To make you change your mind and wanna stay ,
All you have to do is call my name
And I'll come back again

I wait I wait I wait
I wait all day I wait
I wait I wait I wait
I wait I wait I wait

I try to call you on the phone
Are you there are you all alone
I have to hear your voice again
For your kiss I pray

With closed eyes you'll never see
Just how much you mean to me
Please stop playing with my heart
I wait all day I wait

All I really want is one more day ,
To make you change your mind and wanna stay ,
All you have to do is call my name
And I'll come back again

All I really want is one more day ,
To make you change your mind and wanna stay ,
All you have to do is call my name
And I'll come back again

All I really want is one more day ,
To make you change your mind and wanna stay ,
All you have to do is call my name
And I'll come back again

I'll come back again
