Dancing with the elephants,
I'm dancing with the elephants in Amsterdam
I'm dancing like the elephants in Amsterdam
I'm looking for the elephants in Amsterdam . . .

(music)

I'm so close
But yet far
I feel tonight
From outside

I'm leaving
I'm gone
I need to know myself once again
Sadly from the phone (?)

I feel I should be dancing with the elephants
I'm dancing with the elephants in Amsterdam
I'm dancing like the elephants in Amsterdam
I'm looking for the elephants in Amsterdam . . .

(music)

I'm so far (?)
But bleeding (?)
I'm out of space
My peaceful grace
I'm leaving
I'm gone
I need to know myself once again
Sadly from the phone (?)

I feel I should be dancing with the elephants
I'm dancing with the elephants in Amsterdam
I'm dancing like the elephants in Amsterdam
I'm looking for the elephants in Amsterdam . . .

Dancing with the elephants
I'm dancing with the elephants in Amsterdam
I'm dancing like the elephants in Amsterdam

I'm looking for my elephants in Amsterdam

Dancing with the elephants
I'm dancing with the elephants in Amsterdam
I'm dancing like the elephants in Amsterdam
I'm looking for my elephants
in Amsterdam

(music)

I feel I should be dancing with the elephants
I'm dancing with the elephants in Amsterdam
I'm dancing like the elephants in Amsterdam
I'm looking for the elephants in Amsterdam . . .

Dancing with the elephants
I'm dancing with the elephants in Amsterdam
I'm dancing like the elephants in Amsterdam
I'm looking for my elephants....
