I wonder what I'm doing standing here
As I'm watching the wall and I slowly lose my mind
You are lucky you can go slower cause you're feeling
fine
But I'm not
I've got a feeling i'm really gonna blow
If i dont change my mind
Something I couldn't regret
Huh something I shouldn't regret

So I'll never fall again
And if it doesnt feel right then I would rather stay at my
house
It's not a tradgety
huh
I'm going out to find a place to be
where I'll find me a ladyfriend
that knows where to dig to find somethin'
that can get me goin and I'll never ever stop
even if the story's gonna end
I gotta get out
I gotta do it till I'm feelin alright
from down there
I don't know but
I hear that bass drum that plays
and I'm

Going to dance all night
to dance all night
and im going to never stop
to dance all night
i'm gonna go
Going to dance all night
to dance all night
and i'm never gonna stop
to dance all night
i gotta go

So what is it that really counts today
Just to carry on don't you really feel alive?
I feel the answer is arising deep from within

huh from within
I'm pretty sure you're running you'll know exactly where
its gonna end
and who you're choosing tonight heh
with whom you'll soon be lying

So I'll never fall again
And if it doesnt feel right then I would rather stay at my
house
It's not a tradgety
huh
I'm going out to find a place to be
where I'll find me a ladyfriend
that knows where to dig to find somethin'
that can get me goin and I'll never ever stop
even if the story's gonna end
I gotta get out
I gotta do it till I'm feelin alright
from down there
I don't know but
I hear that bass drum that plays
and I'm

Going to dance all night
to dance all night
and im going to never stop
to dance all night
i'm gonna go
Going to dance all night
to dance all night
and i'm never gonna stop
to dance all night
i gotta go

Last night a DJ saved my life
singin' a ah ah ah ah stayin alive
Cause you make me feel
That that's the way
Uh huh uh huh I like it
Going to dance all night

Last night a DJ saved my life
singin' a ah ah ah ah stayin alive
Cause you make me feel
That that's the way
Uh huh uh huh I like it
Going to dance all night

Last night a DJ saved my life
singin' a ah ah ah ah stayin alive
Cause you make me feel

That that's the way
Uh huh uh huh I like it
Going to dance all night

Last night a DJ saved my life
singin' a ah ah ah ah stayin alive
Cause you make me feel
That that's the way
Uh huh uh huh I like it
Going to dance all night

Last night a DJ saved my life
singin' a ah ah ah ah stayin alive
Cause you make me feel
That that's the way
Uh huh uh huh I like it
Going to dance all night
