Deep down deep down
Da dee da da da doo da da
Deep down deep down
Da dee da dam
(repeat several times)

I wanna click
A click to your heart
A hyperlink into you
A sexual browser from here to the end
A newsgroup one on one

Don't need a modem to connect to your mind
No search engine to find you
I wanna click
A click to your heart
A hyperlink to go inside you

Deep down deep down
Da dee da da da doo da da
Deep down, deep down
Da dee da dam
(repeat several times)

(repeat whole thing a few times)
