All we need is one more Goal.
All we need is one more Goal.
All we seek is one Goal,
One Goal.
All we need is one Goal.(Chorus) (x2)

One Goal could be your happiness.
One Goal can make you sad.
One Goal can be desperation.
One Goal can become your hope.
One Goal can do a lot of things.
One Goal can change the world.
One Goal can be your brotherhood.
One Goal is the score of your Life.

(Chorus) (x2)

One Goal could be your happiness.
One Goal can make you sad.
One Goal can be desperation.
One Goal can become your hope.
One Goal can do a lot of things.
One Goal can change the world.
One Goal can be your brotherhood.
One Goal is the score of your Life.

(Chorus) (x2)
