I'm Going Crazy.....

The Colours I Breathe
Are The Colours I Need
The People I See
Are Just People Like Me, Yeah

Because The Things That I See
Are Not Chosen By Me
The Things That I See
Are The Things On TV Coming Back To Me

The Feelings I Breathe
Are The Feelings I Need
The Lives That I Live
Are The Ones On The Screen, Yeah

Because The Things That I See
Are Not Chosen By Me
The Things That I See
Are The Things On TV Coming Back To Me

I'm Going Crazy, I Am Going Crazy
Everybody's Crazy, Everyone's A Little Crazy
I'm Going Crazy, I Am Going Crazy
Everybody's Crazy Now

I'm Going Crazy, I Am Going Crazy
Everybody's Crazy, Everyone's A Little Crazy
I'm Going Crazy, I Am Going Crazy
Everybody's Crazy Now

The Colours I Breathe
Are The Colours I Need
The People I See
Are Just People Like Me, Yeah

Because The Things That I See

Are Not Chosen By Me
The Things That I See
Are The Things On TV Coming Back To Me

The Feelings I Breathe
Are The Feelings I Need
The Lives That I Live
Are The Ones On The Screen, Yeah

Because The Things That I See
Are Not Chosen By Me
The Things That I See
Are The Things On TV Coming Back To Me

I'm Going Crazy, I Am Going Crazy
Everybody's Crazy, Everyone's A Little Crazy
I'm Going Crazy, I Am Going Crazy
Everybody's Crazy Now {Crazy}

I'm Going Crazy, I Am Going Crazy
Everybody's Crazy, Everyone's A Little Crazy
I'm Going Crazy, I Am Going Crazy
Everybody's Crazy Now.....

I'm Going Crazy.....

The Colours I Breathe
Are The Colours I Need
The People I See
Are Just People Like Me, Yeah

Because The Things That I See
Are Not Chosen By Me
The Things That I See
Are The Things On TV Coming Back To Me
