Cause When I'm Faraway
I Float Away
I Try And Try Again
Nothing Brings Me Back On Earth
I'm Leaving Far Away
So Far Away
And Gone And Gone Again
I'm Here But My Mind's Gone Away
'Cause When I'm Far Away
I Float Away
I Try And Try Again
But Nothing Brings Me Back On Earth

I'm Leaving Far Away
So Far Away
And Gone And Gone Again
I'm Here But My Mind's Gone Away
I'm Leaving.....

I'm Leaving.....

I'm Leaving
Slowing Down, I See Things Slowing Down
As I Take Off Again
And Things Become So Small To Me
I'm Leaving Far Away
So Far Away
And Gone And Gone Again
I'm Here But My Mind's Gone Away
'Cause When I'm Far Away
I Float Away
I Try And Try Again
But Nothing Brings Me Back On Earth

I'm Leaving Far Away {Far Away}
So Far Away {So Far Away}
And Gone And Gone Again {Gone Again}
I'm Here But My Mind's Gone Away {Feeling's Gone
Away}
I'm Leaving....

I'm Leaving....

I'm Leaving.
Slowing Down
As I Slow Down
Take Off, Nothing Comes So Small To Me
Cause When I'm Faraway
I Float Away
I Try And Try Again
Nothing Brings Me Back On Earth
I'm Leaving Far Away
So Far Away
And Gone And Gone Again
I'm Here But My Mind's Gone Away
'Cause When I'm Far Away
I Float Away
I Try And Try Again
But Nothing Brings Me Back On Earth
I'm Leaving Far Away {Far Away}
So Far Away {So Far Away}
And Gone And Gone Again {Gone Again}
I'm Here But My Mind's Gone Away {Feeling's Gone
Away}
I'm Leaving....
