Yo listen up: here's the story  
About a little guy  
That lives in a blue world  
And all day and all night and everything he sees is  
Just blue like him inside and outside  
Blue his house with a blue little window  
And a blue Corvette and everything is blue for  
him  
And himself and everybody around him  
'Cause he aint got nobody to listen...

I'm blue (If i was  
green i would die, if i was green i  
would die, if i was green i would  
die)  
I'm blue (If i was green i would  
die, if i was green i would die, if i  
was green i would die)

I have a blue house with a blue little window  
Blue is the color of all that I wear  
Blue are the streets and all the trees are too  
I have a girlfriend and she is so blue  
Blue are the people here that walk around  
Blue like my Corvette it's standing outside  
Blue are the words I say and what I think  
Blue are the feelings that live inside me

I'm blue (If i was  
green i would die, if i was green i  
would die, if i was green i would  
die)  
I'm blue (If i was green i would  
die, if i was green i would die, if i  
was green i would die)

Blue his house with a blue little window  
And a blue Corvette and everything is blue for  
him  
And himself and everybody around him  
'Cause he aint got nobody to

listen to

I'm blue (If i was  
green i would die, if i was green i  
would die, if i was green i would  
die)

I'm blue (If i was green i would  
die, if i was green i would die, if i  
was green i would die)

I'm blue (If i was  
green i would die, if i was green i  
would die, if i was green i would  
die)

I'm blue (If i was green i would  
die, if i was green i would die, if i  
was green i would die)
