Baby, I Need A Miracle, I'm Searching  
To Find A Way Into A New Life  
And I'm Moving, Out Of The Chances I Gave Up  
I Can, Discover New Life

Baby, It's An Emergency, I'm Saying  
I'm Only Trying To Survive That's Why I'm Moving  
I've Got The Power To Make It  
I Found, A Brand New Life

Baby, I Need A Miracle, I'm Searching  
To Find A Way Into A New Life  
And I'm Moving, Out Of The Chances I Gave Up  
I Can, Discover New Life

Baby, It's An Emergency, I'm Saying  
I'm Only Trying To Survive That's Why I'm Moving  
I've Got The Power To Make It

It's An Emergency  
Please Help Me Baby  
It's An Emergency  
I Need To Try To Survive

It's An Emergency  
Please Try To Help Me  
I Need A New Life  
We Only Try To Survive
