

## **Eight "Forgetting"**

Visit "[Forgetting](#)" on [MotoLyrics.com](https://www.motolyrics.com)

When I, am trying to explain  
(You) lose your self control  
Forgetting

Aligned, forget the reasons why  
(so we) choose our own way home  
Again

When I, am trying to explain/decide  
Trying again  
All over again

You try to explain  
You forget the reasons why  
When you lose your self control  
Find yourself besides  
Again...

The peace, it fits within your soul  
You found your way  
Everyone's listening

Relax!, you're waiting for the end  
Hanging again  
AND THIS IS WHAT IT FEELS LIKE

You're weighed down by  
Everyone knows why  
When grace finds/found you there  
Everyone knows why
