Lifeline, I wonder how you last so long,  
You must be strong,  
When I see the flowers in your hair,  
And the pretty mouth with the red you adorn,  
When you get close,  
Ah danger senses please beware,  
It's so unfair  
That I am paying such a heavy price,  
By looking at the garments,  
That you wear so well  
Refrain:  
I won't kiss you if you want me to,  
It's much too easy with someone like you,  
In the rain or a winters night,  
Just wouldn't do,  
It's got to be so right, I'll  
Chorus:  
Kiss you when it's dangerous  
I'll kiss you then and only then,  
I'll kiss you when it's dangerous,  
Fineline, that's what I'm walking

When I look at you,  
You know it's true,  
Of all things the thing that I want most,  
To catch you at the point  
Where you don't have a clue.

(Repeat Refrain)

(Repeat Chorus)

I'll kiss you once, but never again...

(Repeat Refrain)

(Repeat Chorus)
