December
Seven years ago or so
Our love embraced by the snowfall
I remember
How that heaven used to glow from within
As we'd crawl
In the maze that ruined it all

Here it stays in the dark
With these stains in my soul
It stays and I feel so cold
Here it stays in the dark
With these stains in my soul
It stays and I won't let go

And so I forgot to smile
I'm nobody's friend now
Coz they don't like it when you're down
I try to remember
Now I know that I've got to try
But my body's bent down
And I can't find my ground

Stays in the dark
With these stains in my soul
It stays and I feel so cold
Here it stays in the dark
With these stains in my soul
It stays and I won't let go

Come to me sweet love...
Come to me sweet love...

Stays in the dark
With these stains in my soul
It stays and I feel so cold
Misplaced in the dark
With these stains in my soul
It stays and I will not let go
Said I won't let go
