We run this shit, we don't give a fuck  
Who you be runnin' with, so don't forget

Who you be runnin' with, so don't forget

Gotta keep it gangsta  
How many of y'all know a real gangsta?  
Cutthroat, leave you in ya car shanked up  
At the ATM machine, in yo' Lexus

You must be on that dust wanna come test us  
My fam is monsters like my name Fester's  
One deep but yo I got eighteen guns  
Thirty-six clips, two for each one

Ride out, bet a nigga use at least one  
Uzi out the sunroof, bitch, you betta run  
I roll wit' them boys out the 901  
713 to the 281

You hate one nigga like me so  
I keep 32's 38's 44's  
I speak for myself, no cliques, no gang  
I rap but a nigga will clap them thangs

We run this shit and we don't give a fuck  
Who you be runnin' with, so don't forget  
We run this shit, we don't give a fuck  
Who you be runnin' with, so don't forget

We run this shit, we don't give a fuck  
Who you be runnin' with, so don't forget  
We run this shit, we don't give a fuck  
Who you be runnin' with, so don't forget

Yeah, ayyo, I'm bout to getchu niggaz open  
Me and my bitch drunk as hell, steady smokin'

Pass it to ya moms in the backseat, she chokin'  
Dippin' through the toll booth nigga with no token

Pedal to the metal, hooptie hit the blocks and  
Shorty shootin' yellow paintballs at the cops shit  
White kids parents in the front yards is watchin'  
Actin' like The Beatles is here, givin' me props and

I'm half-naked in the car with my boots on  
Tanned it out, passin' the hunnies, gettin' my woof on  
Think I won't fuck a fat bitch, ya dead wrong  
You pretty yellow bitches is gettin' the head song

Wantchu to hump wit' it  
Workin' it like ya doin' Tae-Bo and use ya tongue wit' it  
When dawg get my bricks, we jump in the six  
Old school, porno flicks, Walter D in the mix

Dunns with more guns than Pun shot, uhh  
Dorasel blow more C's than one crop  
Catchin' a case, you fuckin' wit' me  
Now who want it with these dirty niggaz, Ball and G?

We run this shit and we don't give a fuck  
Who you be runnin' with, so don't forget  
We run this shit, we don't give a fuck  
Who you be runnin' with, so don't forget

We run this shit, we don't give a fuck  
Who you be runnin' with, so don't forget  
We run this shit, we don't give a fuck  
Who you be runnin' with, so don't forget

First of all, know this, I ain't a new nigga  
So don't act surprised when I come and do niggaz  
Made ya crew give up, somebody say, "Uncle"  
Slumped him over slow with the rifle let one go

Uncomfortable, bleedin' bad and turnin' blue  
That's the way me and my niggaz like to leave you  
We true gangstaz, equipped with the guns and drugs  
Mean mugs, actin' bad just because

That's how it does and ya damn sure gon' respect it  
Get K.O.ed like Tekken or took out with the tec and  
Ya best bet is to invest in a body suit  
And be well-protected, when we come through

Screw .22's we got military issued  
High powered artillery, to come and get you  
And you gon' get Godful with that punk shit

Nah, you ain't slick trick you just forgot who runs dis

We run this shit and we don't give a fuck  
Who you be runnin' with, so don't forget  
We run this shit, we don't give a fuck

We run this shit, we don't give a fuck  
Who you be runnin' with, so don't forget  
We run this shit, we don't give a fuck
