I was twelve years old when I sold my first stone  
Thirteen when I bought my first gold herrin' bone  
MJ knew how to cook it up and I supplied the kitchen  
My momma was at work and never really paid attention

Bitches comin in and out, fuckin', gettin' blowed  
A couple of my niggaz like to dirty up they nose  
But I was never into that, I really loved the chief hay  
Pipes with them white boys, them blunts when I'm  
around the way

Never seen nothin' other than them streetlights  
Late at night, trife niggaz be out gettin' hype  
Ain't no tellin' what a young nigga might see  
Might be, when he grown up in the inner city

Everybody got they own shit they dealin' with  
Every muh'fucker livin' should be feelin' this  
Money ain't the only thing that bring a nigga joy  
But when you ain't got it mayne it be so hard

How many niggaz live the shit they spit?  
(Live the shit they spit)  
How many niggaz spit the shit they wish?  
(Spit the shit they wish)  
They could get, when they blow up and get legit  
(Blow up and get legit)  
How many niggaz live the shit they spit?  
(Live the shit they spit)

How many niggaz live the shit they spit?  
(Live the shit they spit)  
How many niggaz spit the shit they wish?  
(Spit the shit they wish)  
They could get, when they blow up and get legit  
(Blow up and get legit)  
How many niggaz live the shit they spit?  
(Live the shit they spit)

Tell me nigga if you feel what I'm spittin' to you  
Is any of this shit sinkin' in and gettin' to you?  
I've been on the road, hustlin' for ten deep

In yo' city on the backstreet gettin' weed

Fuckin' wit niggaz that don't even know how to rap  
Niggaz that go to every fight and shit like that  
And don't trip nigga, we ain't got no beef  
And no beliefs in nothin' that we can't see

Except God, I pray to him and he be right there wit me  
He make it all good, even when it ain't pretty  
Every nigga got they nose in my bankroll  
Rollin' over with these hoes in my night clothes

Late night shows gotta get it how we come  
On the bus, on the plane, know we push some  
Now you gotta get nigga so I gotta get it  
(Gotta get it)  
If you ain't got it yet, nigga you betta go and get it

How many niggaz live the shit they spit?  
(Live the shit they spit)  
How many niggaz spit the shit they wish?  
(Spit the shit they wish)  
They could get, when they blow up and get legit  
(Blow up and get legit)  
How many niggaz live the shit they spit?  
(Live the shit they spit)

How many niggaz live the shit they spit?  
(Live the shit they spit)  
How many niggaz spit the shit they wish?  
(Spit the shit they wish)  
They could get, when they blow up and get legit  
(Blow up and get legit)  
How many niggaz live the shit they spit?  
(Live the shit they spit)

Rap dope game, Lil' Ki' told me that  
It's for real if you look at how a nigga react  
Look dope makes cash, CD's make G's  
Dope getcha locked up, CD's getcha free

You might think that if ya don't know the game  
Them niggaz rearranged but the game stay the same  
I put it in my head and I locked it  
Loaded up my mouthpiece, cocked it and I popped it

Brr, bulletproof nigga cain't nuttin' stop this  
Everybody gettin' hit, when I start to drop this  
Watch this big, fat, overweight, Space Age,  
Black-ass nigga, lookin' fly on the front page

Gotta love it when you see it 'cuz it's all real  
I done seen niggaz lie still and get killed  
Blood spilled over muh'fuckin' record deals  
Ain't shit changed nigga and it never will

How many niggaz live the shit they spit?  
(Live the shit they spit)  
How many niggaz spit the shit they wish?  
(Spit the shit they wish)  
They could get, when they blow up and get legit  
(Blow up and get legit)  
How many niggaz live the shit they spit?  
(Live the shit they spit)

How many niggaz live the shit they spit?  
(Live the shit they spit)  
How many niggaz spit the shit they wish?  
(Spit the shit they wish)  
They could get, when they blow up and get legit  
(Blow up and get legit)  
How many niggaz live the shit they spit?  
(Live the shit they spit)
