And I don't want you and I don't need you  
Don't bother to resist or I'll beat you  
It's not your fault that you're always wrong  
The weak ones are there to justify the strong

The beautiful people, the beautiful people  
It's all relative to the size of your steeple  
You can't see the forest for the trees  
And you can't smell your own shit on your knees

There's no time to discriminate  
Hate every motherfucker that's in your way

Hey you, what do you see?  
Something beautiful, something free?  
Hey you, are you trying to be mean?  
If you live with apes, man, it's hard to be clean

The worms will live in every host  
It's hard to pick which one they eat the most  
The horrible people, the horrible people

It's as anatomic as the size of your steeple  
Capitalism has made it this way  
The old-fashioned fascism will take it away

Hey you, what do you see?  
Something beautiful, something free?  
Hey you, are you trying to be mean?  
If you live with apes, man, it's hard to be clean

There's no time to discriminate  
Hate every motherfucker that's in your way

Hey, hey, hey, hey  
Hey, hey, hey, hey  
The beautiful people  
The beautiful people  
The beautiful people  
The beautiful people

The beautiful people

The beautiful people  
The beautiful people  
The beautiful people

Hey you, what do you see?  
Something beautiful, something free?  
Hey you, are you trying to be mean?  
If you live with apes, man, it's hard to be clean

Hey you, what do you see?  
Something beautiful, something free?  
Hey you, are you trying to be mean?  
If you live with apes, man, it's hard to be clean

The beautiful people  
The beautiful people  
The beautiful people  
The beautiful people

The beautiful people  
The beautiful people  
The beautiful people  
The beautiful people
