My days are numbered down on my life  
I know I can't quite make it  
You've got your crown, so quit your fucking around  
I've broken you, you've broken me  
Now I'm alone  
I've broken you, you've broken me  
Now I'm alone  
I've broken you, you've broken me

You let the killer kill me tonight  
Wounded, I'm down on my knees  
You hang 'round me like a fucking disease  
I've broken you, you've broken me  
Now I'm alone  
I've broken you, you've broken me  
Now I'm alone  
I've broken you, you've broken me

And now this world has got me down, it's on my  
shoulders  
Black and bruised, I go insane  
Now this world has got me down, it's all but over  
Black and bruised, I go insane  
I go insane

Yeah my mind is gone; it's so fucking lost  
So please get out of my head  
You've leeches on me like a fucking disease  
I've broken you, you've broken me  
Now I'm alone  
I've broken you, you've broken me  
Now I'm alone  
I've broken you, you've broken me

Now this world has got me down, it's on my shoulders  
Black and bruised, I go insane  
Now this world has got me down, it's all but over  
Black and bruised, I go insane  
I go insane  
Now this world has got me down, it's on my shoulders  
Black and bruised, I go insane  
Now this world has got me down, it's all but over

Black and bruised, I go insane  
I go insane

I've broken you, I've broken you  
I've broken you, I've broken you  
You've broken me
