On a bed of rusted nails I lay.
Just waiting for the sun to fade.
I try to escape this, but I'm lost inside.
I'm lost forever.
I try to escape this but I've lost my mind,
So God please save me.

I slide away.
Into the night.
I slide away.
Am I dreaming again?

I sit and suffer.
I've been waitin' forever.
Oh-whoaaa Oh-whoaaa
And I think it's over now.
I sit and suffer.
I've been waitin' forever.
Oh-whoaaa Oh-whoaaa
And I'm in a coma now.

My head is racing through the night.
Comatose don't feel alright.
I've got an obsession.
For the pain inside and it's destruction.
I've got an obsession, Now the pain is gone
So God please save me.

I slide away.
Into the night.
I slide away.
Am I dreaming again?

I sit and suffer.
I've been waitin' forever.
Oh-whoaaa Oh-whoaaa
And I think it's over now.
I sit and suffer.
I've been waitin' forever.
Oh-whoaaa Oh-whoaaa
And I'm in a coma now.

And now I'm comatose again.

I slide away.[x2]

I think I'm in a coma.

I sit and suffer.

I've been waitin' forever.

Oh-whoaaa Oh-whoaaa

And I think it's over now.

I sit and suffer.

I've been waitin' forever.

Oh-whoaaa Oh-whoaaa

And I'm in a coma now.

Oh-whoaaa Oh-whoaaa

Oh-whoaaa Oh-whoaaa
