Someone told me, that I could save your soul.  
But if you showed me, I just might save the world.  
Someone told me, that I could save your soul.  
But if you showed me, I just might save the world.

If you save my soul tonight.  
You can bet I won't leave your side.  
If you save my soul tonight.  
You can bet I won't leave your side.

Make it, take it, shut it up, don't fake it.  
Make it, take it, shut it up, don't fake it.

I just can't wait for you to see.  
There's nothing more that I could be.  
I think it's time to stop the show.  
Let it all hang out let's go.

But if you save my soul tonight.  
You can bet I won't leave your side.  
But if you save my soul tonight.  
You can bet I won't leave your side.

Make it, take it, shut it up, don't fake it.  
Make it, take it, shut it up, don't fake it.

Someone told me, that I could save your soul.  
But if you showed me, I just might save the world.  
I just might save the world.  
I just might save the world.

If you save my soul tonight.  
You can bet I won't leave your side.  
If you save my soul tonight.  
You can bet I won't leave your side.
