Your life's a mystery
Mine is an open book
If I could read your mind
I think I'd take a look

I don't care, baby
I'm not scared

What have you got to fight?
What do you need to prove?
You're always telling lies
And that's the only truth

I don't care, baby
I'm not scared

Tonight, the streets are full of actors
I don't know why
Oh, take these dogs away from me
Before they, they bite

What have you got to say
Of shadows in your past?
I thought that if you paid
You'd keep them off our backs

But I don't care, baby
I'm not scared

What have you got to hide?
Who will it compromise?
Where do we have to be
So I can laugh and you'll be free?

I'd go anywhere, baby
I don't care
I'm not scared

I don't care, baby
I'm not scared

Tonight, the streets are full of actors

I don't know why
Oh, take these dogs away from me
Before they, they bite

Tonight, I fought and made my mind up
I know it's right
I know these dogs still snap around us
But I can, I can fight

If I was you, if I was you
I wouldn't treat me the way you do
If I was you, if I was you
I wouldn't treat me the way you do, you

If I was you, if I was you
I wouldn't treat me the way you do
If I was you, if I was you
I wouldn't treat me the way you do, you

I'm not scared, baby
I don't care
I'd go anywhere, baby
I'm not scared

I'm not scared
Oh, I'm not scared
