(James House/Debrah Neal)

The shaking in my hands, will they ever quit ?  
I'm near the door, I just have to open it  
Will you recognize my face when you see me in the  
light ?  
If you feel out of place, maybe this can make it right

I could wear the dress you used to know  
When my innocence was not for show  
If I could punch your heart you'd dir, I'd put back every  
star  
I've lost the heart to shine, because I let you go

Telephones have a way of changing lives  
When I heard your voice, I sat there paralysed  
Then I pictured your grin that night, the tears could not  
erase  
What tonight will find, I don't know but just in case

I could wear the dress you used to know  
When my innocence was not for show  
If I could punch your heart you'd dir, I'd put back every  
star  
I've lost the heart to shine, because I let you go

And now you're just on the other side  
And I'm so scared I just wanna run and hide  
I don't know what I will say to you  
But darling I know something that will give you a clue

I could wear the dress you used to know  
When my innocence was not for show  
If I could punch your heart you'd dir, I'd put back every  
star  
I've lost the heart to shine, because I let you go  
I could wear the dress you used to know  
When my innocence was not for show  
If I could punch your heart you'd dir, I'd put back every  
star  
I've lost the heart to shine, because I let you go.
