(Tom Kelly/Billy Steinberg)

Pins and needles of anticipation
Go running through my fingertips
It's such a delicious sensation
When you put your lips on my lips
Wo oh oh

Ain't you tired of getting by, by yourself
Don't reach for anybody else
When you need someone to squeeze babe

Use me
Use me baby

Don't you ever listen to temptation
There's no reason baby to beware
Let's cut short the conversation
When the job calls for tender loving care
Wo oh oh

Ain't you tired of getting by, by yourself
Don't reach for anybody else
When you want someone to squeeze babe

Use me
Use me baby
Oh oh oh oh oh
Use me
Use me baby

Because, because the night's too short
For deliberation
And I ain't too proud
To get down on my knees
And please, please

Pins and needles of anticipation
Go running through my fingertips
It's such a delicious sensation oooh
When you put your lips on my lips

Wo oh oh

Ain't you tired of getting by, by yourself
Don't reach for anybody else
When you need someone to squeeze babe

Use me
Use me baby
Oh oh oh oh oh
Use me
Use me

Because, because the night's too short
For deliberation
And I ain't too proud
To get down on my knees
