We all had plans in a world
That rises up to meet them
And we'd never look back
We laughed more then
I don't know, I guess I feel forgotten
Do you ever think that?

But how can you cry when RKO is playing
Sweet Caroline, good times never seemed so good
Back on Fall River again
Those finer ships have sailed without you
Back on Fall River again
Those finer ships have sailed without you

We could all meet there, Lincoln Park
Open now for summer
Will we ever do that?
Oh, will we ever do that?

Danny, don't cry, listen
RKO's playing Sweet Caroline
Good times never seemed so good
Back on Fall River again
Finer ships have sailed without you
Back on Fall River again
Finer ships have sailed without you

And they never look back
And they never look back
And they never look back
And they never look back

Back on Fall River
Back on Fall River
Back on Fall River
