"Blackened Crown"

A face broken upstairs, I fall down
Tumbling I lose my ground
Paint my hair a blackened crown
Lift my head as I cry out

Did you hear me holler at you
To come save me I'm in danger
My pearls have fallen into mud
And you were too late

This breath precious to you
Knocked from me
Taken so faintly and
I never feel 'till it's too late

Did you hear me holler at you
To come save me I'm in danger
My pearls have fallen into mud
And you are too late.

Did you hear me holler at you
To come save me I'm in danger
My pearls have fallen into mud
And you are too late.

A face broken upstairs, I fall down
Tumbling I lose my ground
Paint my hair a blackened crown
Lift my head as I cry out

Did you hear me holler at you
To come save me I'm in danger
My pearls have fallen into mud
And you are too late.

Did you hear me holler at you
To come save me I'm in danger
My pearls have fallen into mud
And you are too late.
You are too late
You are too late
