Could I be possibly insane
To think you and I have life figured out
And how does one approach this
When all our past loves have let us down

Oooh...

Let's break the walls down
And find how to live
'Cause you and I have
So much to give

Oooh...

I know that I have taken things
I've taken things I had for granted
I know this one thing's for sure
I won't let you ever walk out my door
Oooh...

Let's break the walls down
And find how to live
'Cause you and I have
So much to give

Oooh...

We are forming a sight to behold
We hold forever and ever

Let's break the walls down
And find how to live
'Cause you and I have
So much to give

Let's break the walls down
And find how to live
'Cause you and I have
So much to give

Oooh...
