A face broken upstairs, I fall down  
Tumbling I lose my ground  
Paint my hair a blackened crown  
Lift my head as I cry out

Did you hear me holler at you  
to come save me I'm in danger  
My pearls have fallen into mud  
and you were too late

This breath precious to you  
knocked from me  
Taken so faintly and  
I never feel 'till it's too late

Did you hear me holler at you  
to come save me I'm in danger  
My pearls have fallen into mud  
and you are too late.

Did you hear me holler at you  
to come save me I'm in danger  
My pearls have fallen into mud  
and you are too late.

A face broken upstairs, I fall down  
Tumbling I lose my ground  
Paint my hair a blackened crown  
Lift my head as I cry out

Did you hear me holler at you  
to come save me I'm in danger  
My pearls have fallen into mud  
and you are too late.

Did you hear me holler at you  
to come save me I'm in danger  
My pearls have fallen into mud  
and you are too late.  
You are too late  
You are too late
