Its happening all the time  
When I open my eyes  
I'm still taken by suprise  
I hold sunlight and swallow fireflies  
And it makes me want to cry

I love you

I shall never grow up  
Make believe is much to fun  
Can we go far away to the humming meadow

[Sherri's singing]  
We were walking there  
I had tangles in my hair  
But you make me feel so pretty  
You have shinning eyes  
Yes like those forest lights  
And it makes me want to cry  
I was just wishing you were here  
So we could walk down with to me  
And we could throw all our leaves  
Seeing our dragon when we look

I love you

I shall never grow up  
Make believe is much to fun  
Can we go far away to the humming meadow

I shall never grow up  
Make believe is much to fun  
This place is so lovely  
It kind of makes me very happy  
Lets go far away to the humming meadow

To the humming meadow

To the humming meadow
