One day I slowly floated away
One day I slowly floated away
All the war horses wore rubber bands
to hide their hooves from sinking sand
The commander in charge was hoping that
The destiny was not to die

Wake up in the morning I shall
Wake up and so shall you
And I wake up, the sun is beautiful
And it is warming you and I
Fragile as we lie

Hard to foresee the future
Our bodies were growing thin
Glimpsing the peeling paint of
The nurse's ivory chain
You've got a lot of nerve coming here
Your eyes are beating rhythms way
Faster than the speeding bullet that

took the life of your radio

Wake up in the morning I shall
Wake up and so shall you
And I wake up, the sun is beautiful
And it is warming you and I
Fragile as we lie

And in the corner chair
soft and soap-scented
my darling cries apologies
We foresee the mercy
That's been shown my young limbs
Will not go unthanked or unseen

Wake up in the morning I shall
Wake up and so shall you
And I wake up, the sun is beautiful
And it is warming you and I
Fragile as we lie

ooh, ahhhh
ooh, ahhhh
