"Sea King"

At the bottom of the ocean
There's a sea king, he was my king
He was so proud, diamonds in his crown
He was so proud, always so proud

I'm going away, I can't stay
And I pray he finds out someday

Sea king, sea king, can't you see that you're so silly?
Sea king, I know things and without love you won't get
far

In aquatic towns below us
There reigns a sea king, he was my king
Gold and glitter bubbling all around him
(Was)
All around him, pearls in his hands

I'm going away, I can't stay
And I pray he finds out someday

Sea king, sea king, can't you see that you're so silly?
Sea king, I know things and without love you won't get
far

It was all he ever knew
(All he ever knew)
And that's sad

Sea king, sea king, can't you see that you're so silly?
Sea king, I know things and without love you won't get
very far
