Walking home with the snow  
It is falling down  
Passing by lit windows  
The people inside, they wave from the glow

Chimney smoke billowing  
Snowflakes on my lashes  
Oh one starry night I was walking  
And singing this song

La la la la, la la la  
La la la la, la la la la, la la la la

Walking home with the snow  
It is falling down  
Passing by lit windows  
The people inside, they wave from the glow

Chimney smoke billowing  
Snowflakes on my lashes  
Oh one starry night I was walking

And singing this song

*[Singing]*

La la la la, la la la  
La la la la, la la la la, la la la la  
La la la la, la la la  
La la la la, la la la la, la la la la

It's that day again  
It's that time of year  
With our smiling faces  
We will sing with cheer

La la la la, la la la  
La la la la, la la la la, la la la la  
La la la la, la la la  
La la la la, la la la la, la la la la  
La la la la, la la la  
La la la la, la la la la, la la la la
