Out one day  
Walking one day  
Out one day, with you hallelujah  
We found a wood with Trolly's on wheels  
Rolling all around the hills  
Hallelujah

And just as soon it had slipped into  
The sleepy dusk and it's not very likely  
That we'll see it a... we'll see it again

Out one day  
Walking one day  
Out one day, with you hallelujah  
We found a wood and then we unfound a wood  
And then we cried, "Oh No"  
And, please tell me will we ever find again?  
In the depths of Trolly Wood  
Do trollies still drive?

Gone for the day to the Trolly Wood  
I'm gone for the day to the Trolly Wood  
The Trolly Wood is taken me away  
Out one day  
Walking one day  
Out one day, with you hallelujah  
We found a wood and then we unfound a wood  
And then we cried, "Oh No"  
And, please tell me will we ever find again?  
In the depths of Trolly Wood  
Do trollies still drive?

Gone for the day to the Trolly Wood  
I'm gone for the day to the Trolly Wood  
The Trolly Wood is taken me away

*[repeat verse again]*

Gone for the day to the Trolly Wood  
I've gone for the day to the Trolly Wood  
I've gone for the day to the Trolly Wood  
The Trolly Wood is taken me away

So, out one day  
Walking one day  
Out one day with you hallelujah.
