Hello, my name is dead to you  
Would you like to spend some time and get to know  
me?

I've been waiting, I've been waiting  
I've been waiting here for you

So will you be there  
(Will you be there?)  
When you call my name?  
When I come home  
(When I come home)  
Will you be the same?

And will you be there  
(Will you be there?)  
When you seem unchanged?  
When I come home  
(When I come home)  
Will I be reclaimed?

Goodbye to everything I knew  
Now I need to spend some time and get to know me  
I've been crying, I've been crying  
I've been crying here for you

So will you be there  
(Will you be there?)  
When you call my name?  
When I come home  
(When I come home)  
Will you be the same?

And will you be there  
(Will you be there?)  
When you seem unchanged?  
When I come home  
(When I come home)  
Will I be reclaimed?
