They say drowning is painless  
Take the barrel and aim this gun at me  
I'd rather go quickly  
Come on over but fix me, fix me  
Left with the heaviest burden  
I didn't expect to be learning this much  
About myself this way

Vicious behavior  
Don't let it get the best of me

Deadly and vicious, romantic little thing  
It burns when you're in but you take care of the sting  
Just promise me this much- you'll let me see  
The weapon that feeds these cuts is a killer so vicious  
Oh, don't let it get the best of me

Hit by a lover backhanded  
I didn't expect to be stranded like this  
It was only supposed to be one kiss  
One kiss turned into a habit  
I only act like this when we  
When we have it, yea

Vicious behavior  
Don't let it get the best of me

Deadly and vicious, romantic little thing  
It burns when you're in but you take care of the sting  
Just promise me this much- you'll let me see  
The weapon that feeds these cuts is a killer so vicious  
In me

Forget what they say  
There's no painless way  
As you're sinking, you're thinking about drifting away  
You start panicking  
All your limbs, everything  
Freezing up  
Making excuses for an easy escape  
If drowning is painless, drowning is painless  
Why do i feel this way?

Deadly and vicious, romantic little thing  
It burns when you're in but you take care of the sting  
Just promise me this much- you'll let me see  
The weapon that feeds these cuts is a killer so vicious
