I must've drove this street a millions times
At least a thousand times before
It's always beautiful in the fall time
To walk the streets of Baltimore

And you say that things would stay the same
But I know I'm gonna miss the changing of the leaves
this year
And I know I'm gonna make it back there
As soon as I find myself

I use to fall asleep at Double Rock
Without a penny to my name
That's what made me dream my dreams
Because I had everything to give

And you say that things would stay the same
But I know I'm gonna miss the changing of the leaves
this year
And I know I'm gonna make it back there
As soon as I find myself

Soon as I find myself
I'm gonna make it back there
Soon as I find myself, soon as I find myself
I'm gonna make it back there

But I know I'm gonna miss the changing of the leaves
this year
And I know I'm gonna make it back there
As soon as I find myself

And I know I'm gonna miss the changing of the leaves
this year
And I know I'm gonna make it back there
As soon as I find myself
