We are all sorry to say
but all the tests clearly show
do not forget so I'll say
the risk existed we know

It's your dislocated spine
that caused damage in your nerves
I think it will take some time
before you find redemption you'll search

We are all sorry to say
but all the tests clearly show
do not forget so I'll say
the risk existed we know

It's your dislocated spine
that caused damage in your nerves
I think it will take some time
before you find redemption you'll search
