Verse 1:

Can you hear me callin out your name  
You know that Im fallin and I dont know what to say  
I'll speak a little louder, I'll even shout  
You know that Im proud and I can get the words out

Chorus:

Ooo I---I, I-I wanna be with you everywhere  
Ooo I---I, I-I wanna be with you everywhere  
Be with you everywhere, be with you everywhere

Verse 2:

Somethings happening, happening to me  
My friends think Im acting Peculiarly oh  
Come one baby, you better make this start  
You better make It soon before you break my heart

Ooo I---I, I-I wanna be with you everywhere  
Be with you everywhere, be with you everywhere
