So dead inside  
I've been here before  
I see the look upon your face that I just can't ignore  
You saw the light  
And now it's gone  
So tell me now what do you see in me anymore  
And there's a lock over my mouth  
And I can't find the key  
How can I say  
If I can't figure out what's wrong with me  
All I needed to say  
I can't stay  
I'll be laughing as I walk away  
All I needed to say  
I can't stay  
See through the lies  
I've heard before  
The words just fade away  
And I just don't care anymore  
You saw the light  
And now it's gone  
So tell me now what do you see in me anymore  
And now I breathe a breath  
In my moment of clarity  
It all the same  
It doesn't matter  
You are dead to me  
All I needed to say  
I can't stay  
I'll be laughing as I walk away  
All I needed to say  
I can't stay  
I'll stand alone  
With my head held high  
I will not back down  
This is my last goodbye  
Things will never be the same  
All I needed to say  
I can't stay  
I'll be laughing as I walk away  
All I needed to say

I can't stay
