[1st Verse:]

Time to take out the maker,  
Who drives this down inside.  
Time to make a believer.  
It's time to open eyes.  
There will be no more hiding from this.  
I've lost the will to fight.  
I give in to this.

[Chorus:]

You see this pain inside.  
It's on my face.  
It's no surprise.  
There's nothing left but time.  
Though my light has burned out.

[2nd Verse:].

Did you really think that I would forget this.  
Did you really think that I would get used to this.  
Time to take out the maker.  
Time to make a believer.  
I'm sick of hiding behind all these walls that you build  
up inside.

[Chorus:]

You see this pain inside.  
It's on my face.  
It's no surprise.  
There's nothing left but time.  
Though my light has burned out.

My light has burned out.  
And I would sell my soul away.  
Because my light has burned out.  
And I would sell my soul to bring it back again.

Back again.  
There's no coming back.  
Back again.

[Chorus (x2):]

You see this pain inside.

It's on my face.  
It's no surprise.  
There's nothing left but time.  
Though my light has burned out
