They want me to fall  
And give up  
I feel no pain  
I had enough  
They can't come close to me  
Not anymore  
They cannot defeat me  
Not anymore

I confront my enemy  
I confront my enemy  
I confront my enemy  
I confront my enemy

The want me to make me  
Feel like shit  
I face them all cause I can't  
Take this...  
They cannot defeat me  
Not anymore

I confront my enemy  
I confront my enemy  
I confront my enemy  
I confront my enemy

Destroy them all
