Outcast

I feel the power of the rage  
You cannot close me in your cage

You cannot hurt me anymore  
I'm ready for the war

I know I'm not alone  
Everyday I feel your soul  
I know you feel the same

When they speak our name

Outcast

My life it's only mine  
You call me outcast

You even give me power  
You hate will make me stronger

Outcast I'm outcast  
Outcast I'm outcast

I feel the power of the rage  
You cannot close me in your cage

You cannot hurt me anymore  
I'm ready for the war

I know I'm not alone  
Everyday I feel your soul  
I know you feel the same  
When they speak our name
