Blood

Filth

Corruption

Poverty

No solution

Can you see?

Can you see?

It comes around

Stress

Depression

Rage

Pain

Self-destruction

Can you see?

Can you see?

It comes around

Hard work every day for nothing

Other people get easily everything

I'm not envy, I'm just angry

I am angry

I am fucking angry!

Tear apart

Tear apart

Hard work every day for nothing

Other people get easily everything

I'm not envy, I'm just angry

I am angry

I am fucking angry

Tear apart

Tear apart
