Feeling a little tranquillised  
Let the rhythm of the night come alive  
Nothing left to do until sunrise  
So lets take off up into the friendly sky to fly

One  
Move your feet to the left  
Two  
Throw your arms in the air  
Three  
Kick it - back it up for me  
Four  
Move it to the right you'll see

That you and me can finally  
Groove to this beat (get down)  
Let's get the party started

Don't second guess yourself  
It's the only place to go  
There ain't no turnin' back  
It's what the night is for  
(Whoa -oh -oh -oh -oh)  
It's what the night is for  
(Whoa -oh -oh -oh -oh)  
It's what the night is for

Don't second guess yourself  
It's the only place to go  
There ain't no turnin' back  
It's what the night is for  
(Whoa -oh -oh -oh -oh)  
It's what the night is for  
(Whoa -oh -oh -oh -oh)  
It's what the night is for

Can't wait to fulfil our fantasy  
Set free that appeal in you and me (yeah)  
Yeah when that kick drum pounds  
They take no troubled sounds  
And when that beat goes through your feet

Now everybody get down down down

One

Move your feet to the left

Two

Throw your arms in the air

Three

Kick it - back it up for me

Four

Move it to the right you'll see

That you and me can finally

Groove to this beat (get down)

Let's get the party started

Don't second guess yourself

It's the only place to go

There ain't no turnin' back

It's what the night is for

(Whoa -oh -oh -oh -oh)

It's what the night is for

(Whoa -oh -oh -oh -oh)

It's what the night is for

Don't second guess yourself

It's the only place to go

There ain't no turnin' back

It's what the night is for

(Whoa -oh -oh -oh -oh)

It's what the night is for

(Whoa -oh -oh -oh -oh)

It's what the night is for

Everybody's in the party

You could feel it in the air

(get it get it get it up)

(get it get it get it up)

Where's your drink?

Everybody gonna set it off in here

(get it get it get it up)

(get it get it get it up)

Let's get the party started

Don't second guess yourself

It's the only place to go

There ain't no turnin' back

It's what the night is for

(Whoa -oh -oh -oh -oh)

It's what the night is for

(Whoa -oh -oh -oh -oh)

It's what the night is for

Don't second guess yourself  
It's the only place to go  
It's what the night is for  
(Whoa -oh -oh -oh -oh)  
It's what the night is for  
(Whoa -oh -oh -oh -oh)  
It's what the night is for  
(down down down)
