Hey, where did we go
Days when the rains came
Down in the hollow
Playing a new game

Laughing and a-running, oh
Skipping and a-jumping
In the misty morning fog
With our hearts a-thumping
And you, my brown-eyed girl
You my brown-eyed girl

Whatever happened
To Tuesday and so slow
Goin down the old mine
With a transistor radio

Standing in the sunlight laughing
Hiding behind a rainbow's wall
Slipping and a-sliding
Along the waterfall with you

My brown-eyed girl
You my brown-eyed girl

Do you remember when
We used to sing
La la la... ay querida
La la la... ay querida

So hard to find my way
Now that I'm on my own
I saw you just the other day
My, my, my, how you've grown

Cast my memory back there, Lordy
Sometimes I'm kinda overcome
Making love in the green grass
Behind the stadium with you

My brown-eyed girl
You my brown-eyed girl

Do you remember when
We used to sing
La la la... ay querida
La la la... ay querida
La la la... ay querida
La la la... ay querida...
