Can't get enough baby
Can't get enough of your love sweet darlin'
Oh baby
Last night was incredible
You showed me things
That I've never, ever seen
I swear, it's unforgettable
Girl, I can't believe the freaky things you did with me
Lord knows how well you danced into my heart
You know, you didn't miss a beat with me
I swear, I swear I didn't think you'd go so far
But, oh no, I was wrong
You did everything, and I swear I
Can't get enough, enough of your love
Can't get enough of it
God knows how much I love it
Can't get enough, enough of your love
I just can't, can't get enough of it, of your love
Last night was so sensual baby

You gave me love
Like I've never ever dreamed
I swear it was unusual
Girl, you showed me special things no man has ever
ever seen
God knows I never felt this good baby
You knew just what to do, just how to please
I swear, I swear I didn't think I'd get so hard
But oh no, I was wrong
Girl it's what you do to me, and I can't
[Hook]
Please, please, please come over here
And let me taste your sweet love again
'cause I never knew a girl
Who could make me feel so good
Now I know I gotta have it
All the time
[Hook x3]
